Oct 18, 2018 There will be no support for Windows 10 versions of AutoCAD 2015 . Oct 18, 2018 Solved: Hello, I've just purchased two new computers - one using a Win10 and the other an 8.1. I have installed visual studio and Autocad 2015 and the program runs and works fine. Now I'm trying to obtain the a verity stik and cannot seem to install it onto my 8.1 computer. I downloaded the disk and the installer runs but it says that the version needs to be installed to a higher system or higher version of win 10 and then it tries to install the higher version but then it says that the system is not compatible. Can someone please help me? Nov 19, 2018 Solved: I'm having a similar problem. I tried installing and it said the same thing as you said. But I also tried installing it on a different computer and it had the same problem. Feb 8, 2019 Solved: I am trying to install visual studio 2019 on a Win10, but I can't get the download to finish. It is stuck at 82%. After that, when I try to install the VS 2019, I get this message: The product being downloaded has been blocked due to licensing restrictions. Solution: There are none! May 27, 2019 Solved: Hello. I have created a fresh installation of Windows 10 on a new PC. I have installed: Visual Studio Community (2019) AutoCAD 2015 and the AutoCAD-based verticals.
