

Riptide 2 The demo was free from Nvidia, before launch of the game. It was the second racing game in the Hydro Thunder series, after Hydro Thunder Hurricane. An enhanced version of Riptide GP: Renegade called Riptide GP2 was released. The game was released in March 2007 with support for the Xbox 360, which featured eight-player local multiplayer, three-player online multiplayer, a split-screen multiplayer mode, and new gameplay. The PlayStation 3 version was released in June 2007, and the PC version in March 2007. Saints Row 2 The demo of Saints Row 2 was free to play. The demo showcased the resurrection of Johnny Gat, a character featured in the first game. Johnny is in jail where he meets an inmate named Jimmy (who was in jail for attempted murder). Together they form a prison gang. Jimmy convinces Johnny to join the new gang, now that Johnny is not in a gang he owes favors. The new gang name is "Easy Money Gang" and they are made up of the various criminals who Johnny met in Jail, as well as a few new people. He finds out later that he is in charge of the gang. Over time, they are outmatched by the Third Street Saints and other gangs in the city and almost all of them were either killed or leave the gang. Jimmy was promoted to the highest rank while Johnny becomes the second-in-command. Jimmy's girlfriend Herminia (who was in Jail for "drug charges") needs Jimmy to play around, as she has some bad habits, and most of the time Johnny is with her, while Jimmy looks after her. On the other hand, Johnny has a new girlfriend named Delise (who had been in Jail for "assault charges") and she has decided to move in with Johnny and Jimmy, since Johnny has a room in his house. Soon after, the Saints decide to take their revenge on Easy Money Gang by using gang violence to take their business away, and Herminia also joins a rival gang. Jimmy is later informed of his family's death during this period, and he decides to bring back the gang in order to avenge his family. The gang starts to gain more respect and reputation throughout the city. Soon after, Jimmy's other gang is attacked, and a conflict ensues where both gangs fight the Third Street Saints. Johnny and all the gang members escape to a local nightclub. The Third Street Saints
