Popular Categories Jane Seymour: Working on 'Devious Maids' Hollywood Hustle! It's been more than 18 years since the legendary Jane Seymour portrayed Desi Arnaz's wife in the hit TV show "I Love Lucy." So, it's understandable that Jane might be a bit protective of her image. She tells Life & Style, "I am not trying to make my personal life a big thing. It's a job and I go about it the same way I've always gone about it." But with so much gossip about her personal life, the actress finds it all "creepy." Jane says, "I haven't seen pictures or read stories of who [is] making noise in my career. This is getting a little bit of a scary note. I'm reading what I read about the current prime minister [of Israel]. But, I'm not a prime minister. This is what happens when you get into politics. Everybody has their own image on the Internet. I don't like that. That's not what I do." The actress is now in the press for her new TV series "Devious Maids." "The show is not about me. I can't read anything into it. I'm going to be very, very careful with all those pranks of mine because the social media is a scary place."Sodium-dependent monocarboxylate transporters (SMCTs) are widely expressed in both
