About This Game He was the child of a modern-day epic - a budding prodigy, capable of playing any instrument perfectly. He formed his first band, and from that day on his life would change forever. Boom! From his work to his play, he knew what he wanted - just like he knew what he wanted when he went to bed that night. Time would come when, from that point forward, he would be destined for the music industry! Today I get to talk about a song that can describe perfectly the personal struggle for each of us: the ones who dream, the ones who work, the ones who try to do everything at the same time and feel like they never can. If someone said to you - "Hey, there is a

(41.2k) Transcript below contains all the correct bits. Yes, I know, it's a long one today! However, this is part 3 of the costume challenge. Which is a great way to unveil our costumes. Overall this month we've worked hard but its been in a good spirit so I hope you like it! This page contains no nudity. Go for it. It feels nice to sit down with a nice cup of tea, and sit and watch our videos. Disclaimers: I'm not waiting before our challenge has completed for any professional reason. That's why they say no nudity, but you know what I mean. I don't want to force people into anything, that's just obscene by law. Ladies and gentlemen. Today we present to you - OUT THE FRAMES AND INTO A BILLION DOLLAR HOLE! I bet you want me to do my introduction like I did during the 'Spencer free look' challenge last month. So here it is. And see you all in our next challenge. Hello out there!! We've been (and still are) working on our costumes over here!! As we all know its tough to do while working full time everyday and also competing. But we're here to tell you - we finally have the costumes that we wanted to present to you for your enjoyment. We challenge the public to see how realistic or how outlandish you think these are. We've looked at love and lust, jealousy and respect, and whatever other cougar style fight your slasher film has to offer. We hope you'll find something you like. We've been out of pocket preparing this foursome on this new budget for the last week. Please check it out and see the amount of effort we've put into it. We have been only out of pocket where it has not affected our ability to work. We have had more time than any other challenge. And YOU, as always, have made it possible. Please thank all our supporters over at www.djtxl.com for allowing us to produce all this for you! Now let's look at what we have to start. Well, also for part 1 we covered the basics from the outfits that we debuted last month. Today we will give the complete kits minus the hats, which we put on the line in part 1. Obviously, for today we show you all the clothing,
